

BOOK ME AS YOUR MODERATOR

BRIEFING

As an event manager, you can support me in developing a concept for your event in advance:

- Tell me the date, type, objective, and target audience of the event.
- What role should I take on as moderator (host, mediator, hostess, etc.)?
- Do you plan to record/stream the event?
- Please send me a time schedule, the agenda, and list of speakers so I can prepare the content.
- Do you have any individual requests?

QUALIFICATION

I am a member of the German Speakers Association (GSA), of Germany's professional association for conference interpreters (VKD) and of the BDÜ Federal Association of Interpreters and Translators and have committed myself to a strict code of ethics and standards of professional practice.

EXPERTISE

As a professional corporate event moderator, I guide your audience through the programme with ease and confidence, creating an engaging event that resonates long after it ends.

By immersing myself in your topics, objectives and corporate culture, I tailor my moderation precisely to your event and your brand.

For international formats, I host your event in German, English or French, delivering multilingual moderation that is professional, precise and engaging, and that truly connects with your audience.
